

3-21-16 Meeting

Monday, March 21, 2016

7:17 PM

Dave passed around signature cards

Signed by Cari, Danny, Lynn

This allows us to have 2 signers at each meeting

Minutes

Danny moves to approve

Cari seconds

Motion carries

Lynn wrote his first check, big old signature on little check.

Reports

Treasurer

Lynn has password for bank account but hasn't looked at it yet.

Dave provided balance information

\$20,827.65 - Deposits

\$5,694.13 - Investment

Website

We are now on new web service - DCNB

e-mails are a little bit harder to manage

For some reason Brandon's e-mail address bounced back.

Our e-mails go through to scout office now

Lynn cleaned up the @firemtn.org address list

Lynn created Instagram account

Very tightly linked to FaceBook, somehow tied to Lynn still.

Sean Weaver is responsible for posting but nothing yet.

We hope for it to be updated during camp and such.

Lynn will make a regular person Facebook account and make it an updater for Fire Mountain facebook page.

Then maybe make this person the controller of the Instagram account.

Discussion surrounding Lynn's work on the Mount Baker Council webpage.

Projects

Meyer Family

\$150 raised through generous donations

Dave bought cash gift card for Tina

Danny sent signed card and "Achiever" patch

Still have signed wrapping paper to send to the Meyer family

Maybe we will bring it to the work party to get signed by more people

Staff Boards

Discussion about scanning and documenting the sign boards

Dave will reach out to Steve Maurer to see if he can photograph the boards

Staff Jackets

Dave doesn't think we need to do anything about it right now.

Name Tags

Dave talked with Ed Miller

Instead of Fleur De Lis, it would be nice to get the Fire Mountain round to glue onto the name tags

It may be a significant cost increase but Ed will check on it.

Ed is still interested in doing the name tags.

Fundraising

Curt Warner has gotten the belt buckle mold to make new buckles. He will start making Pewter buckles

We will have some at the April work party.

Erik Maynard will hook up the old G4 and fill up the hard drive with artwork

This will help with our web sales.

Events

Dave penciled in some of these and we will need to work with Janie on official dates.

A lot of the coordination will depend on how Janie wants to proceed with dates and such.

Night at camp is Friday night where Alumni come up and stay the night.

Trying to avoid Maynards camping trip which on July 29

Fall Event

Up in the air....

Alumni engagement

Membership
