LDS Encampment 2013

August 2013 Fire Mountain played host to another gigantic Encampment for LDS Scouts in the Mt. Baker Council. The event was put on by LDS church leaders in conjunction with the Fire Mtn. Camp Staff and the Mt. Baker Council. Over 950 Scouts were involved along with hundreds of scouting and LDS church leaders. Dignitaries included the National President of the Boy Scouts, World President of the LDS Church Young Men's program, olympic athletes, regional church leaders, all 9 stake presidents, and the entire Council Key 3. The event was very successful and tried out some things never before attempted. Looking forward to the next time.
