Nothing to report.

Postcards

Danny got some post cards printed up. Logo is large and text is tiny. Dave will do the mail merge labels.

Lynn will add the events to the website

Staff Boards

Dave hasn't talked to Steve about taking photos.

Danny thinks that the scanner could be used now that it is free

Staff Jackets

John is having vendor come in soon.

Shirts have been designed, but jackets have not been finalized.

The logo will likely be the fire mountain eagle similar to the one on the new building.

Budget for \$500 and John is aware of that.

Name Tags

Need to find out from returning staff who needs a new one.

Ed Miller is still ok with doing them.

Janie's concern is that she doesn't know who actually needs one. She will send a list and we will cross names off if we want.

Events

Zip Line day 15 interested 7 definitely going.

Despite the nasty gram from Kersten Eggers, the event will continue as planned and will not be a paid event for staff.

Need to get a number to Scott. He will be providing lunch. Cari will be doing games.

Staff Week BBQ June 25th

Danny will buy groceries

Alumni Chicken Dinner

Camping in large field. Gonna have to check with Janie as it approaches

Water Fun Day

Dave is handling this one

Pie Night

Wednesday, August 3rd

Fire Eagle Ceremony

Not sure if there is anything to present, but there is a segment which Dave will give to Janie to pass out.

Dave has ordered the patches. 4 patches per person (2 for uniforms, 2 for collection).

Janie asked about where to find Honor Troop ribbons. Council will not pay for them. She may pay for them herself.

She also may submit a proposal for the alumni association to help pay for them.

Meeting adjourned at 7:45pm
