Disc. uniform bank, need to do a big push to get more uniforms. Need inventory - recruit someone to inventory and organize and someone to sew/repair. Vancy might be interested.

Disc. Pie night - August 7th. Cari will recruit pies. Bob Dybing has donated \$50 to pie night supplies.

Staff week BBQ June 23 - Dave will be in charge and will pick up supplies/food. Need help with manning the BBQ

Work Party - very successful however there are still a few projects to finish up especially the pathfinders area. Would like to see more alumni next year @ work party.

Staff recruiting - need cope/climbing, lifeguard 16+, and kitchen staff.

Disc. summer board meeting schedule - Charlie needs to decide meeting schedule for summer. We usually have a meeting at pie night in July but pie night is in August this year... Do we need to meet both months or just meet at pie night and not after camp??

Meeting adjourned 7:38pm.

After meeting discussion: need to promote scholarship deadline. Brian wants to examine deadline for scholarship for the future and new ways to promote at a future meeting.
