**Discussed Historical Trail** - could we make a patch? Can we tie it into the museum?

Disc. 50th anniversary

**Disc. staff liaison position:** we should vote to continue to have 2019 staff liaison continue to until 2021 summer camp season. We don't have a quorum tonight, so we will discuss at next meeting.

NCAP will apply to all district and council events starting next year. This may make holding council/district events more challenging, however the council is working on a plan to set up a plan to accomplish this.

**Uniform bank** is shy on medium and large size pants and shirts.

**Crew 407** : discussed ways to revitalize the crew - the Garrett family will discuss if they can take on an active leadership role in this.

**Scholarship committee:** we received one application for Joe Miller Scholarship and one for the general scholarship, Lynn will reach out to the recipients and confirm that they will be awarded to them.

**2020 camp staff:** there will be no 2020 camp staff and those who were planning to be on staff are not eligible for alumni membership until they complete a season at camp.
