## **Joe Miller history:**

From an early age, Joe Miller was an avid Scouter. Starting out in Tiger Cubs he found his passion for life and the outdoors. Throughout the years he moved his way through the Cub Scout ranks and crossed over to Boy Scouts where he met his best friends, found his favorite past time, and devoted his life to encouraging other young men to seek their passions for the outdoors, helping others and building self confidence in yourself. Not only in his Scout life, but also in his personal life he modeled the Scout Oath to everyone around him without making a large announcement. Joey had a larger than life influence on everyone around him, no matter how or when you met him.
